RE: Dominion Energy South Carolina, Incorporated's Establishment of a Solar Choice
Metering Tariff Pursuant to S.C. Code Ann. Section 58-40-20 (See Docket No.
2019-182-E)
Docket No. 2020-229-E

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") respectfully requests the Public Service Commission of South Carolina ("PSC") grant a one-week extension of all testimony prefiling dates in this docket.¹ ORS does not believe that it will be able to fully complete its review and analysis in this case to allow for sufficient detailed testimony to be filed by January 15th. ORS has consulted with the other parties and Dominion Energy South Carolina, Inc, Vote Solar, Solar Energy Industries Association, and North Carolina Sustainable Energy Association support this request, provided the rebuttal and surrebuttal deadlines for all parties are provided the same extension. ORS would like to note that no party has objected to its request.

The new schedule ORS proposes is as follows:

	<u>Current Date</u>		<u>Proposed Date</u>
ORS/Int. Direct:	1/15/2021	moved to	1/22/2021
Company Rebuttal:	2/5/2021	moved to	2/12/2021
ORS/Int. Surrebuttal:	2/12/2021	moved to	2/19/2021
Hearing:	2/23/2021	remains on	2/23/2021

¹ As discussed in an email to South Carolina Public Service Commission ("PSC") staff on December 22, 2020.

Letter to Jocelyn G. Boyd, Esquire

January 7, 2021

Due to the fast approaching testimony deadlines, ORS would greatly appreciate the Commission's expedited consideration of this request.

Sincerely,

Jenny R. Pittman
